

Pitched Roofs

Advantages

- Flexible system suitable for most pitched roof designs
- Fixed GT hooks or adjustable GTR-GTT-GTP and GC for arabic tiles
- Complete range of stainless steel hooks and aluminum profiles
- Compatible with Solar-fish and Solar-light profiles

Step 1: Install the hooks

Hook - profile - clamp

Step 2: Insert the screws into the Solar-Fish Profile

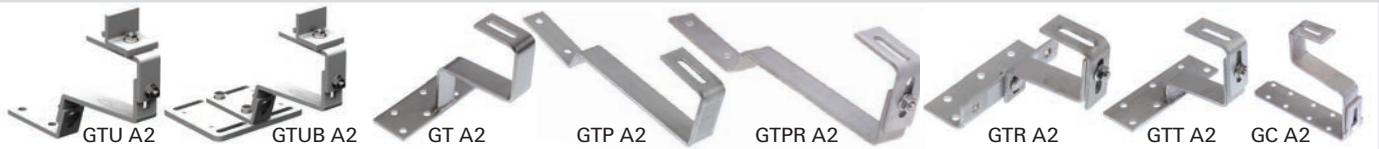

6 kWp plant on pitched roof

Step 3: Install the modules

13 kWp plant on pitched roof

HOOKS

Product	Art.	Description	Hook thickness (mm)
GTU A2	522669	Adjustable tile hook GTU A2	6
GTUB A2	522670	Adjustable tile hook GTUB A2	6
GT 130 A2	71198	Tile hook GT A2	5
GT 130/8 A2	71422	Tile hook GT A2	8
GT 150 A2	571136	Tile hook GT A2	5
GT 150/8 A2	71423	Tile hook GT A2	8
GTP A2	71199	Hook for flat tiles GTP A2	5
GTPR A2	519667	Adjustable tile hook GTPR A2	5
GTR A2	71526	Adjustable tile hook GTR A2	5
GTT A2	512232	Adjustable tile hook GTT A2	5
GC A2	571137	Adjustable hook for arabic tiles GC A2	5

PROFILES

Product	Art.	Description	Weight (kg/m)
Solar-light 3,15 mt	518954	Aluminum profile	0,72
Solar-fish 3,15 mt	514850	Aluminum profile	0,92
Solar-fish 3,35 mt	518645	Aluminum profile	0,92
Solar-fish 4,20 mt	514851	Aluminum profile	0,92
CPN AL	514890	Joint for Solar Light/Fish/Mid profiles	-

CLAMPS

Product	Art.	Description	Module thickness (mm)
PMU	519784	Universal clamp	30-52
PMCU	519105	Universal middle clamp	30-52
PMC G	71995	Final clamp for glass and frameless panels	7,9
PMF G	71996	Middle clamp for glass and frameless panels	7,9
