Special medical treatment
No data available

5. Firefighting measures

Extinguishing media

Suitable extinguishing media
Carbon dioxide (CO2)
Dry powder
Foam
Water spray jet

Extinguishing media which must not be used for safety reasons
High volume water jet

Special hazards arising from the substance or mixture

Special exposure hazards arising from the substance or preparation itself, its combustion products, or released gases
Heating or fire can release toxic gas.

Advice for firefighters

Special protective equipment for firefighting
In the event of fire and/or explosion do not breathe fumes.

Additional information on firefighting
none

6. Accidental release measures

Personal precautions, protective equipment and emergency procedures

Personal precautions
none
Environmental precautions

Environmental precautions none

Methods and material for containment and cleaning up

Methods for cleaning up Use mechanical handling equipment.

Reference to other sections

Reference to other sections See chapter 8/13

Additional information

Other information Dispose of in accordance with local regulations.

7. Handling and storage

Precautions for safe handling

Advice on safe handling None under normal processing.

Advice on protection against fire and explosion No special precautions required.

Conditions for safe storage, including any incompatibilities

Storage space and container requirements Store in accordance with local regulations.

Hints on storage assembly Store in accordance with the particular national regulations.

8. Exposure controls/personal protection

Control parameters
The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

Exposure controls

Respiratory protection No personal respiratory protective equipment normally required.

Hand protection not required under normal use

Eye protection Eye protection: not applicable.

10. Stability and reactivity

Reactivity
Thermal decomposition No decomposition if stored and applied as directed.

Chemical stability
Chemical stability Stable under recommended storage conditions.

Possibility of hazardous reactions
Hazardous reactions No dangerous reaction known under conditions of normal use.

Conditions to avoid
Conditions to avoid No decomposition if used as directed.

Incompatible materials
Materials to avoid None known.

Hazardous decomposition products
Hazardous decomposition products No decomposition if used as directed.
